SECURE PREPAYMENT

Innovation is the cornerstone of the Divisapay story, we take an innovative, value-based approach to generating the products and solutions that make everyday activities (such as shopping, traveling, running a business and managing finances) easier, safer and more efficient for everyone.

Solutions for all types of businesses

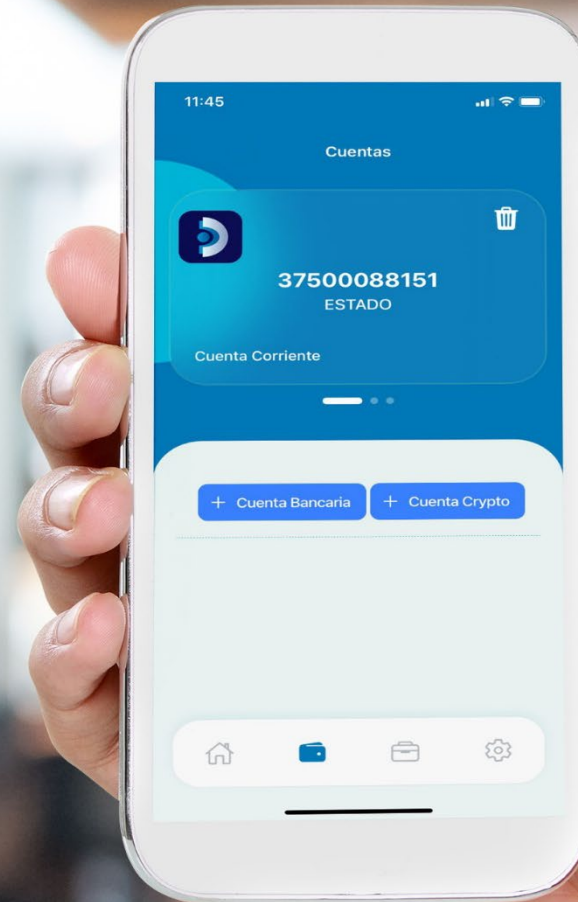

At Divisapay we are providing a secure pre-payment alternative for people to receive and make their payments in a trusted environment and we contribute to the growth of businesses, improving the shopping experience and promoting financial inclusion around the world.

Innovation is the cornerstone of the Divisapay story, we take an innovative, value-based approach to generating the products and solutions that make everyday activities (such as shopping, traveling, running a business and managing finances) easier, safer and more efficient for everyone.

SECURE PREPAYMENT

FAST & SAFE

We understand conscious competition as a differentiating element in bringing together two parties that seek to make an exchange of value, always looking for transactions that are governed by good practices. Security is the fundamental promise on which **Divisapay's** history is based.

Solutions for all types of change

We know that security and reliability are a priority for parties, devices change and payment methods adapt, we continuously innovate to ensure the security of electronic payments anytime, anywhere. Our goal is that every person and every payment is protected.
